

The Way We Love

By Joey Walker

How will they know
That we're servants of the King?
How will they see
That it's Christ we're following?

Chorus:

**This is how they'll know.
This is how they'll see.
When we're helping those in need.
This is how they'll know.
This is how they'll see.
When we're loving enemies.
This is how they'll know . . . O-O-O!
By the way we love.**
