Clap.

Chorus 1:

I am the way, the truth and the life.

Turn to the right; take three marching steps; turn front; put right arm out straight ahead; put left arm out straight ahead.

I am the way, the truth and the life.

Turn to the left; take three marching steps; turn front; put right arm out straight ahead; put left arm out straight ahead.

I am the way, the truth and the life.

Turn to the right; take three marching steps; turn front; put right arm out straight ahead; put left arm out straight ahead.

No one comes to the Father except through Me.

Slide step to right while sweeping left arm from center out; slide step to left while sweeping right arm from center out. Sweep arms from sides, crossing center, and then lift arms straight up.

Loo-loo-loo, loo-loo-loo.

With arms straight overhead, sway hands from side to side.

Verse:

If you want to know what God is like,

Touch head with both hands; point up with right index finger; bring flat right hand down to chest.

Take a look at Jesus Christ.

Look up; move hands from eyes to straight up.

He helped the poor; He healed the sick.

Clasp hands in front and move to right shoulder, then left shoulder twice.

He even raised the dead.

Arms sweep down from overhead, low and then high again with palms open; hold.

He taught His friends the way of love

Arms step down from overhead to forward; hug self.

And showed them myst'ries from above.

Both hands push up overhead from right to center, then left and back to center.

He righted wrongs; He spoke the truth.

Hold up right fist; then hold up left fist.

And this is what He said.

Open both hands and bounce to the beat.

Repeat Chorus 1.

Loo-loo-loo, loo-loo-loo.

Continue bouncing hands to the beat.

Repeat Verse.

I am the way, the truth and the life.
