

July 6-7 Bulletin Announcement

“A Walk in Faith”

Hopefully everyone knows *A Walk in Faith* is the name given to our capital stewardship campaign! Campaign planning has been moving along quickly. We’ve been working diligently the past several weeks on the preparation phase of the campaign, forming our campaign leadership teams.

Below is the list of our current campaign cabinet members. When you see them around, please thank them for their time and commitment to our parish and to the success of our capital campaign! As well, our campaign cannot be a success without the participation of *all* parishioners. Please say **YES** should someone contact you to help (*you will not be asked to talk to anyone about money/giving.*)!

Capital Stewardship Campaign, “A Walk in Faith”, Cabinet
