

September 14-15 Bulletin Announcement

Next weekend marks the culmination of our capital stewardship campaign, *A Walk in Faith*. Hopefully, you have taken advantage of the opportunities provided to learn about and understand the building project our parish family is about to undertake and the many positive aspects of how it will impact our parish, our volunteers and our ministries. For the past few weeks, our parish has been engaged in a concentrated “stewardship emphasis” phase to help us focus on the many gifts we have received from God, and how we are called to respond generously to so many blessings and graces. Your prayerful discernment in considering a 1-year commitment to *A Walk in Faith* will help all of us come together as a faith family to continue our commitment to the future ministry of our parish. On Friday we mailed our final newsletter to you. Please read it as you consider your sacrificial pledge. Let us all continue to pray that God grants us wisdom, guidance, and courage as we move forward by faith to do as Jesus has called us, remembering that God will never be outdone in generosity.

Like good stewards of the manifold grace of God, serve one another with whatever gift each of you has received.~ 1 Peter 4:10
